CONSULTANT-SPECIALISTS DOCTORS

In Pakistan presently there is no proper authentic website which gathers / gives information of Healthcare staff and more specifically **Consultant and Specialist Doctors** for local and overseas job opportunities. Resultant, Healthcare and Specialized Doctors find it extremely difficult and run from pillar to post. Good News - now they can update their credentials at one authentic place i.e. **LaoJee Jobs** [www.LaoJee.com] to be viewed by prospective local and overseas Employers. If this information is readily available at one recognized place, this will duly and properly organize Healthcare Jobseekers data and Employers will know where to find their needed staff more quickly and without any hassle / waste of time.

This will avoid exploitation by middle man / un-authorized Recruiting agents who are said to be swindling and cheating both Job Seekers and the Employers from both hands.

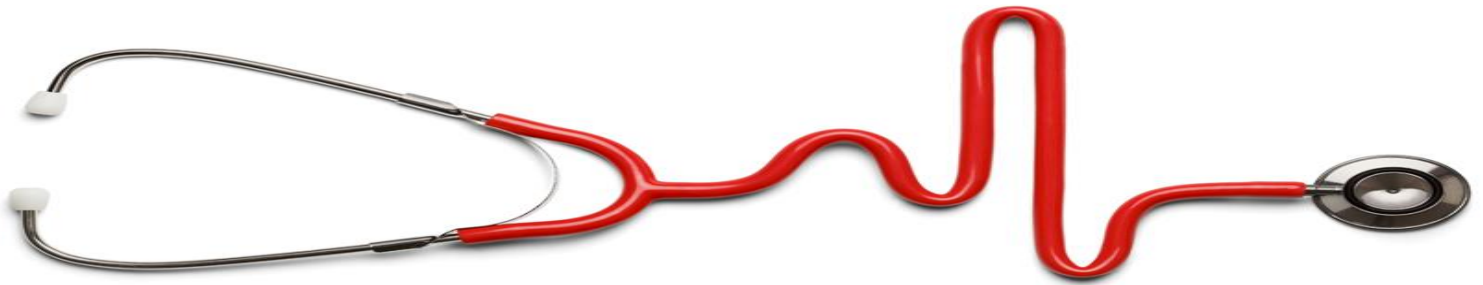

Doctors are highly encouraged to upload their CVs [Free of charge] at **LaoJee Jobs** [www.LaoJee.com] website so that both Local and Overseas employers can automatically view and evaluate their CVs from our Electronic CV database for immediate contact and recruitment. Beside **Consultant and Specialists** – para Medical staff are also in immediate demand. Following are few example of prevailing vacancies in various areas. Please keep checking our website www.LaoJee.com regularly for new vacancies and update your CV every 6 months for clarity to report any changes in your title, salary and qualification.

Most Overseas Healthcare lucrative jobs such as – **Consultants - Specialist** [preferably Foreign qualified] Doctors, Anesthesia Consultants-Specialists, , Nurses, Physical therapists, / Technician, dental hygienists and Hospital / Healthcare management are in very high demand for overseas jobs especially in the Middle East.
