

UK GMC Swap Plab 1

SWAPPING

Technically swapping is not possible. However, you can swap your exam date, If you find someone who is willing to swap dates with you.

The procedure for swapping will be something like this. Let's say you are swapping your exam date with X. You and X will both cancel your exam dates on the same day at the same time. As soon as you two cancel your exam dates, those dates would become available on the GMC online portal. Then both of you would quickly book your preferred exam dates.

So, it is not exactly swapping. You will be cancelling your exam and booking a new exam date. **This is, of course, risky as someone else can book the exam before you do.**

At this stage our **24/7 manual search feature** comes into work and our staff working and watching such vacant seats **immediately inform** those Doctors who are registered with us to book themselves against this vacant slot to avail the opportunity immediately.

If you are fully prepared for the Exam, have paid the fees and are waiting to sit in the coming exam and have no time to check about the availability, **our services are just for you** as it saves time and compensate you for any lost opportunity.

We **DO NOT CHARGE** upfront / Advance amount from Candidates but when you are satisfied to acquire a booking due to our vigilant watch, we charge Great Britain Pounds 100 [or equivalent Pak Rupees or US Dollars] as our service Charges. My wife and I are **73 years of age** doing this social service. If you do not agree to pay, please **DO NOT** Contact us. No Guarantees.

Note: These seats are very seldom released / vacated by other candidates due to their own reasons such as domestic problem, sickness, visa or airline ticket problems. Ideally, you must be ready and waiting to book a vacant swap seat to avail this opportunity IMMEDIATELY.
